The **Pre Professional** curriculum at GBAD is an accelerated program geared towards the students that are looking for training at the professional level. This track includes a focus in learning about the art of dance, performance opportunities, the importance of being physically fit, confidence building and teamwork. The curriculum offers multiple classes per week in various dance disciplines. It is our most recommended for students looking to receive a well-rounded dance education experience. **Pre Professional** curriculum offerings are available for students ages 7 and above. Pricing reflects a required schedule of classes per week. In order for a student to be successful in this program, no exceptions will be made to these requirements.
